

NATIONAL FOUNDATION FOR GUN RIGHTS LETTER OF INTENT

Thank you for joining us in the fight to defend the Second Amendment in the courts! Some of the most important Second Amendment battles are fought in the court system as activist judges legislate away the right to keep and bear arms from the bench, and Marxist district attorneys and prosecutors target law-abiding gun owners. The best gun laws in the world mean nothing if they're not enforced and unconstitutional laws are not forcefully challenged -- and the National Foundation for Gun Rights was founded to do just that!

How can you ensure the National Foundation for Gun Rights will have the resources needed to protect the Second Amendment for the next generation?

You know as well as anyone that the Second Amendment protects all the rest of our constitutionally protected rights. Your legacy is a gift to ensure National Foundation for Gun Rights can continue protecting gun owners in the court room -- and fighting to overturn unjust laws that undermine the Second Amendment. That way, your children and grandchildren may receive the same blessings of freedom and liberty you enjoyed... as guaranteed by the Second Amendment!

Thank you for informing us of your intention to include National Foundation for Gun Rights in your will or estate plan, or as a charitable beneficiary of your retirement plan, life insurance or other assets. This letter of intent will help us best honor your wishes while also allowing us to plan our efforts accordingly.
